To Dana, my love. As I pause and look back over the course of all my own journeys, one thing stands out: Dana, you are, without a doubt, the second best decision of my life. I constantly thank the very best decision for giving me the wisdom to say, "I do" on that June morning, and for the greater miracle of persuading you to do the same. There have been many times you have had to wait for me to catch up on our journeys, but I am grateful for your willingness to walk through them all with me.
