Permission to adapt Life Transformation Groups cards for churches/ministries

Life Transformation Groups are a simple tool to make and multiply disciples that have touched every continent in our world. Neil Cole (author) and CMA Resources (publisher) want to provide Lifetime Permission to adapt Life Transformation Group cards to help make this tool as useful and viral as possible.

Aspects of the agreement:

- 1) We can provide for you an original in a variety of formats (Adobe Illustrator, PDF, etc.)
- 2) You may use the original format or adapt it as you wish.
 (We would hope that you would keep the philosophy of Life Transformation Groups as articulated by Neil Cole in his books *Cultivating a Life for God* and *Search & Rescue*. An article about Life Transformation Groups is on our website at <http://cmareources.org/article/ltg> for your reference. You can also order the books from our website as well.)
- 3) You will be required to cite on all your cards:
 "Adapted from Neil Cole's Life Transformation Groups Cards © 1999.
 www.CMAResources.org"
- 4) We request a donation of \$500 to secure the Lifetime Permission (for the life of the church/ministry) to adapt Life Transformation Group cards for your churches or ministries.
- 5) We request that you don't sell the cards that you make.
- 6) If you post them on the internet, please make sure the above citation is on the cards. We encourage you link to the article about Life Transformation Groups on our website at <http://cmareources.org/article/ltg>.
- 7) After you have created your adaptation, please email us a copy or mail us a hard copy (address above). We want to learn along with you!
